- Search for “customizable pendant” and choose the one by kakaroto

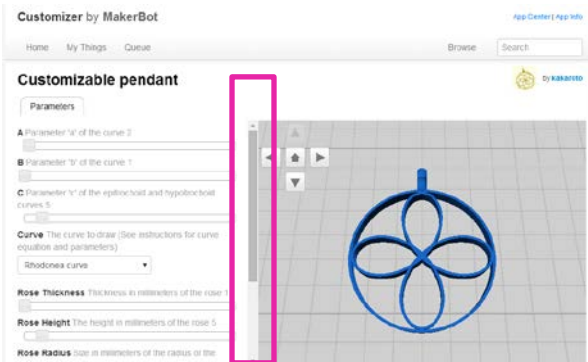

Click on this to open it

- Then Click: “Open in Customizer”:

- Play around with the shapes you can create in the Customizer; be sure to scroll down to see all the options.

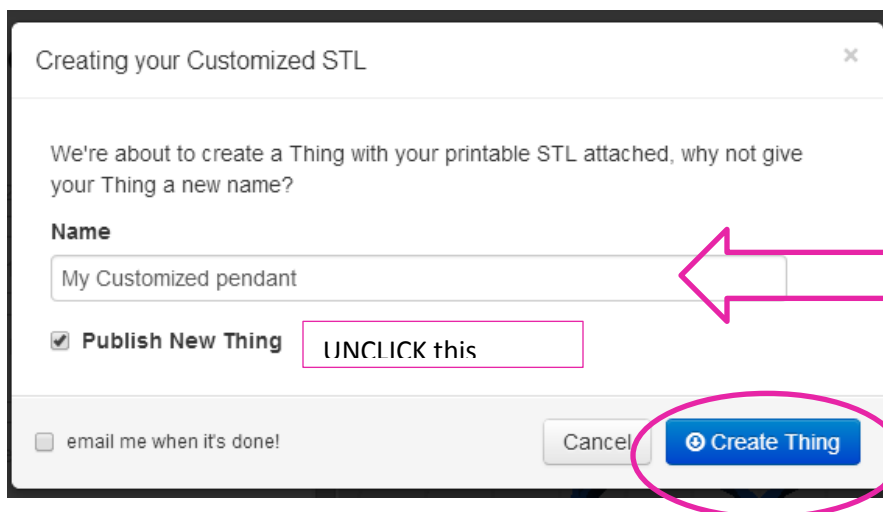

- When you are happy with your pendant:
  - 1) Take a screen shot, a photo or make a drawing of your design
  - 2) Name your file by including your **OWN NAME** in the file name and add what color you want printed

*Example:*

**Margaret\_pendant\_white**

- 3) Unclick Publish New Thing
- 4) THEN, click Create Thing

Type YOUR NAME  
and the color here
